EXPANSIV

DESCRIPTION OF THE PRODUCT
High-performance expansive powder for cement-based compounds, developed by WINKLER Research & Development Laboratories.

FIELDS OF USE
Additive designed for the preparation of mortars and shrinkage-compensated concrete, suitable for basins, tanks, floors, walls, swimming pools, and similar applications. It helps reduce or eliminate cracking caused by shrinkage or loading, ensuring improved waterproofing and enhanced structural strength.

WARNING
Do not use the product if the packaging is damaged.

PRECAUTIONS
Always use fresh cement and do not use aluminous cement.
Ensure that only clean water is used.

APPLICATION
The product is ready to use. Add **EXPANSIV** to the cementitious powder before mixing.

CONSUMPTION
5-10 kg per 100 kg of cement

PACKAGING
5-25 kg bags

STORAGE
The product in its original and undamaged packaging, can be stored for up to 12 months. Store at temperatures between +5°C and 35 °C. The product is not frost-resistant.

DISCLAIMER AND LEGAL NOTICE – WINKLER

The information and instructions contained in this Technical Data Sheet are prepared on the basis of WINKLER's best technical and application knowledge and are provided for guidance only. However, since WINKLER cannot directly control site conditions or the execution of works, these indications are in no way binding on WINKLER.

The data provided do not exempt the purchaser from the responsibility of verifying, through practical tests and comprehensive applications, the suitability of the product for the intended use and of determining whether it is appropriate for the desired application; the user assumes all responsibility arising from its use. The customer is also responsible for verifying that this Technical Data Sheet is valid for the batch of product of interest and that it has not been superseded by later editions. The updated Technical Data Sheet is available on WINKLER's official website.

The contents of this Technical Data Sheet may be reproduced in other project documents, but the resulting document may under no circumstances replace or supplement the Technical Data Sheet in force at the time of application of the WINKLER product. Any alteration of the text or conditions contained in this Technical Data Sheet or derived from it releases WINKLER from any liability. WINKLER reserves the right to make technical changes of any kind to its products and/or Technical Data Sheets without notice. This revision cancels and replaces all previous ones.
